What is Happening in the City?

Youth Council
Your Hyde Park City Youth Council was busy, busy, busy this summer. We participated in lots of great activities and want to thank you for your support in all of them. One of our biggest activities of the year was providing games and activities at the City Celebration. This was another fun year. We want to thank everyone who came out Friday night to limbo, hula hoop and play games with us. It was a lot of fun! We enjoyed getting you all wet at the parade Saturday morning. Thanks for all of the smiles and waves. Once we were back at the celebration, the games continued. If you fished with us, dunked us, played plinko with us or enjoyed any of the other games, THANK YOU!

The Hyde Park City Youth Council also had the privilege of attending and helping at the North Park Police Departments National Night Out Against Crime event. Another great big thank you to everyone who came out and enjoyed themselves while supporting our local law enforcement officers. Another great event was the annual giant slip and slide! Did you come get wet and try your slipping and sliding skills? It was a great time and everyone had a great time. Did you miss it? Look for it next year! The Hyde Park City Youth Council holds this FREE event every year as school gets back in session.

If you are marking your fall calendars, don’t forget to pencil in the annual Hyde Park City Youth Council Spook Alley for some Halloween fun! The tentative dates are October 26th-28th. Scare you there!

Jr Council
Have you been looking forward to knowing the winner for August’s Good Neighbor? Here it is..... Congratulations to Scott Daines! He was nominated because he is not just a good neighbor, but an amazing neighbor! Scott has quietly and consistently served year-round and taken care of his neighbors without ever being asked and has done it for years. He saw a need and stepped forward. Thank you Scott for setting an example for all of us!

Do you have an amazing neighbor? It's time to nominate them! Do it now at Goodneighboraward@gmail.com

The Jr Council ended the month with a visit to Capsa to drop off teddy bears and notes for the kids that have to be there. The kids get to keep the teddy bears. We were happy to leave some cuddly hugs! We hope it brings some smiles.
Message from Council Member Flint

Ahh the excitement! The emotion! The crowds! The anticipation! The suspense! No I am not talking about the eclipse. Or school starting. I am talking about our nominating convention, held right here in our city office building. It was all of this and more.

All 5 candidates (Randy Grover withdrew because of family obligations) bravely showed up. All 5 expressed their love of the city. All 5 told of their desire to be of service to the people of the city. All 5 stated their history and qualifications. Those that had served before recounted their contributions to the city and their accomplishments while serving. Then came the moment of truth. Only 4 could advance to the election so that meant that 1 candidate would go home with only our thanks for a good effort. Who would it be? All the eligible voters present cast their ballots and a hearty group of impartial volunteers retired to count the votes. The suspense was thick, emotions were high. Conversation filled the air, but the same question filled everyones’ mind. Who would our 4 candidates be? Finally a spokesman appeared to announce the results. Silence, fraught with emotion, filled the room and people waited with bated breath. Our 4 candidates are……..drum roll please, Phil Collins, Bob Christensen, Gerald Osborne, and Charles Wheeler. The voice of the people had spoken, the will of the people made manifest, and our democratic republic rolls on. Sounds almost majestic doesn’t it?

These are the people we get to choose from in November. Good men and true. I hope you will get to know them and make a truly informed choice. Local government is the government that can have the largest impact on our individual lives so we need to choose wisely and well. Besides, when you know them you can call and give them a piece of your mind when you disagree with them. It’s a win-win situation!

Have a good September!
