Youth Council
The Hyde Park City Youth Council has been sworn into office this past month, and are ready to officially serve the community of Hyde Park, Utah! The ceremony took place at the Hyde Park City office building on Tuesday the fifth of September.

We want to give a big THANK YOU to Mike Grunig and Mayor Christensen for helping us get the slip n slide running with construction in the park. It was an awesome success!

Thank You to Firehouse Pizzeria in Smithfield for sponsoring this event. We appreciate all the support from the community.

The Spook Alley is Coming Soon!
The Youth Council is excited to host this fall event. It will take place on the 26th, 27th, and 28th of October at the Hyde Park City building.

City Happenings

HYDE PARK YOUTH COUNCIL

SPOOK ALLEY
Thur Oct 26th 6:30-9pm
Fri Oct 27th 6:30-9pm
Sat Oct 28th 5:00-8pm
Hyde Park City Office
113 East Center

The Spook Alley consists of several haunted attractions in the lower section of the city building and is appropriate for all age groups. This event is a fundraiser for the youth council.

Funds are used throughout the year as we serve and sponsor activities for the community. Hope to see you there, come and get a good scare!

Admission is $4 per person. Bring a donation for the food pantry for $1 off admission.

JUNIOR COUNCIL
It's that time of year with cooler weather, crisp apples, and changing leaves.
And what does that mean?
The Hyde Park Hollow Spook Alley is coming!!
Time to get your spook on! The Jr Council will be sponsoring a 1/2 Pint Hollow again this year for all our little spooks. It is a fun alley for kids to go through while their families get some scares down the stairs.
(please note the time differences between our 1/2 Pint Hollow & Spook Alley on Thurs & Fri.)
It will be on
Oct. 26th, 27th, & 28th. Thursday and Friday will be 6:30 - 8:30 pm and Saturday will be 5:00 - 8:00 pm. Admission is $4.
Bring a donation for the food pantry for $1 off admission.

Meet the Candidates Night
Thursday October 12th at 7:00

The elections will be done by mail. Ballots will be mailed on October 17th.

You may drop your ballots off at the Civic Center if you would like to avoid the cost of postage.
What is Happening in the City?

Message from Council Member Flint

So, here we are in autumn. Leaves changing, cooler weather, and beauty all around. In contrast, the political season is upon us and as we have discussed our city and the politics and people involved, maybe the thought has crossed your mind, “How do these people know what they are doing?” Or, “These people don’t have any idea what they are doing!” Well have no fear! Although there is a certain amount of on the job training we also have the opportunity to attend (drum roll please) The League of Cities and Towns Conference. In spite of the fact that, as my children tell me, this sounds like a totally made up organization, it is a very helpful opportunity for us to go and learn about policies, procedures, and problems that other cities are facing and solving. Also we hone our governmental super powers, like turning one dollar magically into two, the absolute perfect way to solve a problem, forecasting the future, and reading peoples’ minds! It’s great!

In addition to attending many classes relating to city business and super powers, this year we had the privilege of hearing Jim Lovell talk about his experience on Apollo 13 and how important it is for us to work together to solve problems. He also stressed how crucial it is that we never give up and “keep working the problem”. I felt truly grateful for water, air, and toilets, some of the same issues we have to take care of right here on earth! We heard from Dan Clark about helping our youth feel needed. They often feel rewarded and praised, but not really needed, which can sometimes be a contributing factor in the suicide epidemic we are dealing with today. Radio personality, Jay Mac, from KSL told us his story about overcoming tremendous odds to end up where he is today. He stressed the importance of “the one”. At two different times, his life was literally saved by one individual. One person taking the time to think of him and care about him and save his life.

This is all well and good you may be thinking to yourself but what has that got to do with Hyde Park? I will tell you. We have a tendency to look to government to solve our problems and sometimes that is the right way. For roads or sewer or parks or water but what about issues with our neighbor? What about that stupid barking dog, or that partying teenager, or overgrown yard, etc.? All those annoying things that people do that drive you crazy? Should we just call city hall or the police all the time? Sometimes maybe, but more often it might be helpful to remember that at times WE can be one of those annoying people. Or perhaps just call our neighbor and say KINDLY, “Could you please help by…..?” Because when we ask for more government, we get more government. And Hyde Park City doesn’t need more government. It needs every single one of us to be good. Good neighbors, good friends, good problem solvers, good helpers because the sum total of a city is never going to be any more than each individual person. I have met and talked to quite a few of you and you are good! I think however that we might be able to try a little harder and be “more good”. I know I felt a greater desire to be better after listening to these good people and I hope I have inspired you with the same desire. EVERYONE is needed and EVERYONE can make a difference in Hyde Park!

Thank you for your goodness and letting me rant every month. I love Hyde Park and all the people who make this city the great city that it is!
What is Happening in the City?

From Chief Hawkes:
To keep those we care about safe, one of the easiest steps to take is to make sure they always wear a seat belt. Utah crash data show that unrestrained crash occupants were over 30 times more likely to be killed than restrained crash occupants. Even while driving close to home and at slow speeds, vehicles can roll over. Seat belts are critical protections during a rollover.

We are encouraged by the fact that most people in our county always wear a seat belt. However, we need to work together and make sure that it is everyone, all the time. Regrettfully, our officers still respond to crashes in which people have been needlessly killed or seriously injured because they were not wearing a seat belt.

By working together on this issue, we can save lives, reduce our auto and health insurance rates, and protect those we care about. Speak up about seat belts. Make sure you and those you care about always wear a seat belt. Always ask others in the vehicle with you to buckle up.

Hyde Park, UT is on Facebook
Hyde Park City’s Facebook page will keep you informed of events going on in the City.

William Hyde Camp DUP
Please join us at the Daughters of Utah Pioneers meeting Monday, October 16th, at 1:30 pm in the Hyde Park Civic Center (downstairs)

New members and visitors are always welcome
Lesson: Significant Events During the Pioneer Era.

The Junior Council is happy to announce that our September Good Neighbor Award winner is Laurie Baldwin. We were so happy to surprise her with a gift basket. Laurie is always helping and serving her neighbors and friends and is very deserving. She seems to know instinctively who and when to serve. Her service is varied and many. The letter we received said, "Laurie is always friendly and shows a very caring attitude. She is busy with a very active and beautiful family yet she finds time to help others all the time."

We want to thank all of you that give service to your neighbors. Isn’t Hyde Park a wonderful place to live with all the kindness that goes around and around? If you know someone that goes above and beyond let us know and they might be our next Good Neighbor winner. Send us the details at GoodNeighborAward@gmail.com. Congratulations, Laurie!!

North Logan Pumpkin Walk at Elk Ridge Park
OCTOBER 19, 20, 21, 23 & 24 9 a.m.—10 p.m.
Free Admission!
Go to Pumpkinwalk.org for more details.
20th Annual Red Ribbon Run
