Happy New Year

Good Neighbor Award

Our first winner for 2020 Good Neighbor Award is Tahnean and Mike George! We were able to surprise them on a cold night with lots of warm congratulations. We were even joined by some neighbors to surprise them. The Georges were nominated because of the fun they create in their neighborhood. We understand that they do fun Easter egg hunts, sometimes even at night with glow in the dark eggs, outdoor movies, 9 square and other neighborhood get-togethers. The George’s is "the place where neighbors gather for a good time, any time!"

Congratulations to the George family! We are grateful for wonderful families in our city. Do you know of a family or individual that makes a difference for good? Let us know about them at HPGoodNeighbor@gmail.com. Thank you!

Youth Council

The Youth Council had an outing to Maple Springs Assisted Living (in North Logan) this month. We celebrated an early Valentine’s by making Valentines with the residents, decorating doors, playing games and visiting. We enjoyed our time there and love our older friends.

Happy Valentine’s to all of you too!

Watch for more details.
Here we are in part 2 of our civics financial lesson. Don’t glaze over on me! This is good stuff and it will be good for you. (Do I sound like your mother giving you some yucky medicine?) Here we go!

You remember last month we talked about income sources, basically taxes because that is all the income sources we have, like all governments everywhere. This month I will try to relate them to expenditures.

We bring in about $400,000 in property taxes, which is about how much our police department costs us. Surprising isn’t it? When we pay property taxes we think we are paying for a much bigger piece of the budget, but that’s not true. Houses do not pay enough taxes for the services provided by the city. We still love all of you that fill those houses and we are happy to have you in our city! After all, cities exist to provide services to their citizens - so that’s what we try to do.

We bring in about $800,000 in sales taxes, and that just about pays for our employees - which is also totally worth it since we have great people that serve the citizens of Hyde Park!

We spend $75,000 a year for fire protection, which is paid on a per capita basis, so that means as our population goes up so will the cost. What a bargain, eh?

We also spend a goodly amount on PARKS: $500,000 (some of which is offset by RAPZ grants varying from year to year), $600,000 on ROADS, $600,000 on SEWER, and $500,000 on WATER.

Whew! This is just a very broad overview of a very complicated budget, with some very simplified amounts, but I hope it helps you understand how our budget works a little bit. If you have read both parts 1 and 2 you are some of the most informed citizens in Cache County – maybe even in the U.S. Kudos to you!

Now on a totally unrelated subject but of equal importance... We have been pondering on joining with the Smithfield Police department, but after many weeks of meetings we have decided to stick with our good old North Park PD. It was difficult to come up with a funding formula that was fair to all cities and it didn’t seem to provide the extra benefits we thought it might, so here we are again. We are happy to announce that our new North Park Police Chief is Ulysses Black, a member of the department for close to 20 years and one of the best investigators in Cache County. If you get pulled over, tell the officer to give your best to Chief Black!

L.I.F.E Tool for Hyde Park Residents

L.I.F.E stands for Lifesaving Information For Emergencies. These forms will be usable by Hyde Park residents. You can download the form from the Hyde Park website http://hydepark.utahlinks.org/. It is a simple and easy form to fill out. You should fill out a form for each individual in your family.

Keep this information in an easily accessible location, such as: on the refrigerator, or in the medicine cabinet.

This information is important to make it easier for first responders to know how to treat you. Review your forms every three months to make sure your information is current.
