City Celebration

There are exciting things happening this year with our city celebration! Did you know that our celebration is not a 24th of July celebration? Our party is celebrating Hyde Park's Founders Day. We want to come up with a new and exciting and catchy name, so we are having a contest! Richmond has Black & White Days, Bear Lake has Raspberry Days and we have...... well, a big beautiful contest complete with a big beautiful prize!! The winner will also have the grand honor of bragging rights for coming up with our celebration's name. So start up your thinking caps, rev up those brain cells and come up with a name for our city celebration! And do it quick! We want to have the new name so that we can use it this year. If duplicate entries of the winning name come in, the winner will be the first one submitted. You can text or call Council Person Stephanie Allred at 435-757-4938 to submit your celebration name.

Another exciting change is the location. We will be having our city celebration at Lee Park/Cedar Ridge. Our fire personnel want to change the location of our fireworks because of safety issues. We have been extremely lucky that we've only had one small fire. I know that some people do not like change, but this is necessary to keep homes, buildings and personal property safe. An advantage to this change is being able to bring in more vendors. One last change is our schedule. We will be holding our celebration all day Saturday, July 18th. We will start in the morning with the fun run and parade and end with the fireworks and dance that night. In between we will fit all our traditions in that we do each year. Thank you for your support in these changes. If you have ideas or would like to help, please consider joining our committee for the celebration. Use the above contact number. Thanks everyone and good luck in our contest!

YOUTH COUNCIL - Serving Others, One by One

February was the Youth Council's month of Random Acts of Kindness. We had lots of fun surprising people and spreading some love. One activity we did was hand out notes attached to treats to random people on a cold but sunny day in the area of 1600 N and 100 E in Logan. It was fun and funny to see the different reactions. Hope your February was filled with LOVE!

We are looking for nominations for the Good Neighbor Award. If you have an amazing neighbor or family that serves and makes your neighborhood better, let us know about them at HPGoodNeighbor@gmail.com

We are sorry to have to announce that Hyde Park's Got Talent has been canceled. We did not have any interest in it this year. If you were thinking of signing up, fear not because there is another opportunity to perform at the city celebration in July. Please contact us if you are interested.

Message From the Mayor

Hello my friends! This month’s article contains tasty little tidbits of news from here and there. Well mostly from here. Actually all from here, but still tasty little tidbits!

Continuing on with all the changes happening in Hyde Park, (do we even live in the same little town any more?) we are changing the City Celebration. We have been advised by our fire department, who know best, that we shouldn’t continue holding our fireworks right smack dab in the middle of our town. All the ashes, cinders, and unexploded shells raining down on the homes, sheds, boats, and cars are worrisome. I don’t know about you, but I found the light dusting of ashes on my stuff delightful. However it has been causing the fire department some concern, and probably local homeowners, so we are moving the whole kit and caboodle to Lee Park, by Cedar Ridge Elementary School. It is pretty exciting because it opens up a whole slew of activities that we were unable to do before! We will also be condensing it all to one day. It will be the Saturday before the 24th, which will be the 18th this year.

In keeping with our new adventure, we are looking for a new name. “City Celebration” seems pretty generic and kind of boring so we will have a competition and offer a $50 gift card to the person who comes up with the best name! By the way, we already ruled out “The Velvet Highway Celebration” so nix that one, even though I secretly love it. Send us your suggestions, either on our Hyde Park City Facebook page, by email, or come right on in to the office! Stephanie Allred is our new council member in charge of the celebration so you can tell her your great idea too.

Don’t forget about the opportunity to ride a horse in the parade! Come and ride with me and let’s create another velvet highway!

We also have another big plan in the works! It is not nearly as exciting as a new and improved city celebration, but still big. And way more expensive. We will be building a new 2 million gallon water tank in Hyde Park Canyon. This will be the finishing touch to our water system and will see us through until our city is completely built out, and you and I are dead and gone. We have lived in a rare and delightful era when our city was completely out of debt but, unfortunately, it was not only rare and delightful but short-lived. We are plunging headlong back into debt, $5,000,000, for this project. The good news is we will not have to raise water rates to pay for it! So settle back in your chair content in the knowledge that we will have enough water for our little town forever and you won’t have to pay an extra penny for it! Brandon Buck, another new council member, is the one overseeing this gargantuan project and he would be happy to answer any questions you might have.

Those are all the tasty tidbits I have for you! I hope this little feast of news has tickled your palate. Thanks for all you do to make our city the best in Utah!!
