Hyde Park City Celebration Grand Marshals

Bob & Linda Christensen

Bob & Linda met while working together at Thiokol in 1959. Bob saw a “fair skinned, radiant, beauty” across the room and knew that he had to meet her. After dating for a year, they were married. They lived in Bear River City and Tremonton but were excited at the opportunity to move back to Linda’s home town of Hyde Park City in 1967. They purchased the house next to Linda’s family home and built onto it as the family grew. Bob & Linda have 4 children; Brian, Jackie, Kirk (KC) and Jill. They feel very fortunate to have raised their family in Hyde Park City. Bob took an early retirement from Thiokol in 1994 and was offered a temporary job in the computer lab at Cedar Ridge. Twenty years later he retired from that temporary job.

Bob started working a summer job with the City helping the Public Works Department. This started his path to many years of service for the City of Hyde Park. He served on the CMPO committee, as chair of the Board of Adjustments, on the Planning & Zoning Commission, three terms on the City Council and as Mayor for a year. He has served with the Lion’s Club for 52 years and has been responsible for the City fireworks for over 40 years. The fireworks have progressed to a much bigger, better, and (probably safer) production over the years. The fire works show started as a few fireworks placed in 3” sprinkler pipes, dug into the dirt and lit one at a time. They have progressed to the great show that we have now.

Linda has loved living in Hyde Park and raising her family here. She loves time in the garden, crocheting, knitting, cross-stitching and snuggling with her dog, Teddy.

Bob & Linda have been highly involved in various church callings and have loved traveling the world together. They are the very proud Grandparents of 16 Grandchildren.

We are honored to have Bob & Linda Christensen as this year’s Hyde Park City Grand Marshals.

Message From Council Member Flint

Happy Freedom! Happy Independence! Happy America! Happy July! Thank you founding fathers and pioneers! I have much good news this month and I will share it when in the course of human events it becomes necessary….which is now.

First off we still have our police department. Whew! We dodged a bullet there! And we couldn’t be happier. A hearty thank you to North Logan and a hearty hug to our police force! We will look forward to four score and seven years more.

The one sad item is the retirement of Chief Hawkes. He has served faithfully for over 20 years and his presence will be truly missed. However he is going on to a position as an area director for D.A.R.E. which is a program dear to his heart. There will be a retirement open house on the 29th of June at the North Logan city council chambers from 3-6 p.m. to honor him and bid him farewell. It is altogether fitting and proper that we should do this. So come.

Do not fear that our law enforcement will be left without guidance and direction. In order to form a more perfect union, establish justice, and provide for the common defense, we have hired an interim chief. His name is Steve Milne and he retired from the USU police force last June, after serving there for 35 years. And he is the bomb…..squad captain. He worked the Northern Division of the 2002 Olympics bomb squad. And he and his squad are the reason none of us got blown sky high then so thank you! He is married to Allison and has 3 children, Andrea, Kyle, and Scotty. He likes to secure his liberty and pursuit of happiness by riding his motorcycle. We are thrilled to have him while we start the search for a permanent chief to protect our unalienable rights.

One last thing. Some of us having been endowed by our creator with horses hold these truths to be self evident that we should get together and ride in our city parade. I don’t want to be alone to enjoy this individual right so please come and join me!

Meanwhile light up your world! And let’s be grateful for the heritage of freedom and individual liberty that we have inherited through the Laws of Nature and of Nature’s God.

Youth Council Corner

The Youth council is gearing up for an awesome new season. We kick off with the new youth council members starting with the Hyde Park City Celebration. We will have new faces and some familiar ones, who have served the past few years.

Please come meet us at the City Celebration. We will be sponsoring games and activities for all.

Jr Council

We have some wonderful applicants for our Council. Come back next month to find out the names of our new Jr. Council!

It’s so inspiring that our youth have a desire to serve in our city and make a difference! I am convinced that we are surrounded by the best and brightest kids. I hope you’ll notice how amazing the youth are on both the Jr Council and Youth Council in the coming year. And I hope you will support them in their efforts!

We took a month off on our Good Neighbor while we reorganize, but we’ll be back in August! Please send a nomination!! We need to have your input! Thanks in advance. HPGoodNeighbor@gmail.com
