Jr. Youth Council
Our Good Neighbor for October is Mike Quist! We enjoyed surprising Mike and loved his sweet reaction. He was nominated for his service to neighbors in Hyde Park. We know his service has also extended far beyond Hyde Park. The nomination we received said: “He helps any person that needs help and is the first to arrive when there is a need.”
Are you thinking of a neighbor that you have that is like Mike? Nominate them today at GoodNeighborAward@gmail.com.

Congratulations Mike!!

We want to thank all of you that supported our 1/2 Pint Hollow and the Spook Alley! We really enjoyed trying to scare the brave! And, we enjoyed having fun with the littles. We hope you enjoyed meeting our friendly witch and playing games.

What is Happening in the City?

Message From Council Member Flint

Gratitude month is here! The one holiday of the year when we are free to enjoy family, friends, and food without spending a million dollars. It is a time when we are filled with thankful hearts for each other, our abundant lifestyles, and the amazing country in which we live. Thanks to the courageous pilgrims and pioneers who paved the way for this exceptional country and our fantastic state, and all those men and women who’ve served, and in many cases, laid down their lives that we may enjoy our freedoms. Thanks also to all the citizens of Hyde Park and your good lives and actions that contribute to the greatness of our city! Whew! So much for which to be grateful!

Exciting things are going on in our city! We are working on safe walking routes to the school, putting in sidewalks, marking crosswalks, and working with the school district. If you are familiar with government at all then you know that every entity adds a layer of bureaucracy and slows things down, but we are forging ahead and it will be great!

We have had a retirement and a vacancy so we have hired some new people! Louise, the court clerk, retired, and Jesse, from public works, moved on to a different job. Louise worked for the court department for years and she was outstanding and we will miss her! She is enjoying retirement however, and we are now looking forward to working with Amanda Shoemaker, our new court clerk. Amanda grew up in Northern California and she and her husband Kyle, like so many of us, came to visit family and fell in love with Cache Valley. They moved here in January of 2008 and lived with Kyle’s parents, eventually buying a house in Smithfield in 2009. Amanda is a genius, as is evidenced by the fact that she graduated with a Bachelors degree in Sociology with a double minor in criminal justice and FCHD. They have 3 dogs and 2 cats and they are looking for a new house with some property for animals. She obviously will fit right in here in Hyde Park and we are grateful for her.

We hired a new public works guy and we will learn more about him next month. According to the laws of attraction, like attracts like, so the fabulous guys in our public works have attracted another such person and he is going to add immensely to our public works department. We are extremely blessed to have the best people working for our city. The ladies in the office each are excellent at their jobs and make going into the office a pleasure. We are grateful to them and the public works guys for all they do to improve our city and impact our lives in such a positive way!

We held our Meet the Candidates night in October and I am assuming you all knew who you were going to vote for since there were only about 30 people in attendance. (Heavy sarcasm) Way to go you stalwart citizens who showed up! We had excellent candidates and they spoke eloquently and had great ideas about ways to serve and improve our city. Since the election is on November 7 and I am writing this in October it will be interesting to see who wins. I am grateful for those who have the courage to put themselves up for election and their willingness to sacrifice their time in behalf of all of us and our city. I know many of you feel the same because I have talked with you and you have told me. It is my hope that you will feel the importance of being involved and active in our community and reach out to your city council and mayor and let us know what you would like to see happen in our city. The best things happen when our citizens are informed and we can collaborate together.

Spread thankfulness all around this month and think grateful thoughts! Also stuff your face! It’s what the founding fathers expect.
