**Thank You**

A very big Thank You to everyone who helped make the City Celebration such a big success. It is remarkable to see the efforts of the City Council, the Public Works team, the City staff, the Youth Council, the Hyde Park Royalty and the many Citizen volunteers who make this happen every year. An enjoyable Celebration was had by all.

The Hyde Park City Office and the Hyde Park/North Logan Court will be closed on Monday September 4th to celebrate Labor Day.

---

**City Council:**

- 2nd Wed of each month and 4th Wed as needed
- **7:00 p.m.**

**Planning & Zoning:**

- 1st and 3rd Wed of each month as needed
- **7:00 p.m.**

Citizens are invited and encouraged to attend
What is Happening in the City?

New Residents

James Jenkins
Justin & Allison Barton
Abdel Sam Rhoufiry
Jenni Bowman
Phillip Morris
Teresa & Darryl Adcock
Michael & Mindy Frost

Message From Police Chief Hawkes

We are looking for interested individuals to serve as daily and substitute Crossing Guards for the North Park Police Department. You must be at least 18 years of age, a citizen of the United States and available for about an hour at 8:30 AM and 3:15 PM. The daily positions are at 400 E 2500 N, Greenville Elementary, and the other is at 200 W Center, Cedar Ridge Elementary in Hyde Park. If you are interested, pick up an application at the North Park Police Department, 575 E 2500 N, North Logan

Jr Council

Youth Council Corner

Youth Council started our season by cleaning and polishing the Hyde Park Monument. We had a great time and enjoyed the opportunity to help take care of this amazing structure. Stop by and check it out if you haven’t had a chance lately. It’s an amazing reminder of Hyde Park’s Heritage.

Thanks to all those who supported us at the City Celebration. We enjoyed meeting and playing with so many friends and neighbors as we celebrated our great City.

Coming Up End of Summer Fun:

Slip-n-Slide at Lion’s Park
Sat Aug 26th 10-12am
Free for everyone

The Jr Council enjoyed announcing our Good Neighbor Award for July at our City Celebration. If you missed it, our Good Neighbor winners are Rich & Lynne Eckberg. They were nominated for their exceptional service to many of their neighbors. Their service ranges from watering lawns while neighbors are gone to trimming trees and shrubs to watching over and helping their "senior" neighbors, etc. Part of the letter nominating them stated, "Next to the definition of "Good Neighbor" in the dictionary you will see a picture of Rich & Lynne. It is signed by 'All of Their Neighbors'. We are so happy that Hyde Park has neighbors like Rich & Lynne. It gives our City a feeling of one big family. Thanks Eckbergs!

Do you have a neighbor that should be recognized by the Jr Council for their service? Please email your nomination to GoodNeighborAward@gmail.com
Message From Council Member Flint

August! Where did the summer go? School will be starting soon and then Christmas! But wasn’t our city celebration delightful? And July 4! Hooray America!

We have an election coming! 7 candidates/crazy people signed up and we have to narrow the field down to 4 city council candidates at our convention this month. We will need lots of participation from our voting citizens so y’all come. Meet the candidates and find your one true candidate and help them make it to the election. This is what a democratic republic is all about, people, so use it or lose it! Here is just a brief bit of info about them.

Phil Collins was born in southern California, but try not to hold that against him. He was just a baby. His family eventually moved to Seattle where he attended middle and high school. After serving an LDS mission he came to school at USU and was infected with Cache Valley love, from which he never recovered. Also love for his wife Lou, which infection he truly enjoys. Their infection has become a plague, with 4 daughters also being carriers, the oldest 6 and the youngest 1. They have lived all over the world and both of them received Masters degrees from England, he in Public Health, she in Conservation, which she uses to conserve and restore books. One of the most impressive was USU’s copy of an1830 Book of Mormon. They moved here 1 year ago and Phil wants to run for office because he and his wife love Hyde Park and want to live here forever. He loves politics and getting to know the people and finding out what is going on in the city. He is hoping to help Hyde Park become even better. Good health to you Phil!

Randy Grover is from Idaho and moved to Logan to go to USU. He was also infected with Cache Valley love and it was such a severe case he was unable to leave. He got a degree in Business Information and settled down in Logan with his wife Danielle, where they lived for 20 years. 4 years ago they realized they had not yet reached the promised land so they moved to Hyde Park and they couldn’t be happier. They have 3 teenagers, 2 girls and 1 boy, and they are still clinging to their sanity. Barely. Randy says he wants to give back to the community and be more involved. He realizes that city government can be a “thankless job” and he wants to join the ranks of the unthanked. He appreciates the job Mayor Cox did to get us out of debt and wants to continue operating that way if at all possible. Thank you Randy!

Charles Wheeler has been on the city council for a combined total of 16 years and is crazy enough to run for another term. He grew up on a farm in Idaho and graduated from Ricks College, now BYU Idaho, with a degree in Landscaping and Nursery Management, which is why he has been the guy in charge of our parks his whole time on city council. And also why he is the Head Groundskeeper at the LDS temple, from which celestial zone he comes to us trailing clouds of glory. He has employed his expertise, and many volunteers, in Hyde Park by turning an abandoned gravel pit/dump into Lions Park, obtaining hundreds of thousands of dollars of matching grants and contributions, supervising 70+ eagle projects, and now designing a whole new park at 250 E and 600 S. He has been responsible for redesigning and rebuilding the tennis/pickle ball courts and, along with more volunteers, focusing on a master trail plan. So basically, for many years past and to come, Charles is the one responsible for all the fun in Hyde Park! He and his wife Suzy have lived here since 1979 and they have 1 daughter and 3 boys. Charles is hoping to finish the new park and see the trails off to a good start. He thinks Hyde Park is the best city in the valley and will work to see that our city continues to be a great place to live. Party on Charles!

Eric Hansen was born in Provo and then moved to South Carolina at the age of 9. After his LDS mission he came back home to Cache Valley. He is married to Karen and they have 3 boys. With all that energy created at home he also deals with energy in his business. He is an electrical contractor and owns his own business. You might say he is something of a live wire, doing business in Utah, Idaho, and Wyoming. Owning his own business has reinforced the need for planning and growing well, which skills he hopes to put to use for Hyde Park. He has loved the rural atmosphere and the family friendly lifestyle for the 6 years they have lived here and would like to see those qualities maintained. He has the energy and time and wants to be of service and hopes you’ll volt for him. It’s not shocking at all that a citizen of such wattage would like to run for city council. Shine on Eric!

Gerald Osborne is practically a founding father of Hyde Park, having lived here since he was 5 years old, for 48 years. You can call him Father Osborne if you want. He and his wife, Julie, have 6 kids, 5 boys and 1 girl, Gerald’s favorite daughter. Gerald graduated from USU with a degree in Human Resource Management and now he is involved in taxes, of all things. He works for the tax commission as a real property appraiser, so he has a birds-eye view of the whole tax picture, especially since the tax rate sector is in his division. In his vast experience with the city he has come to the conclusion that running a city is a tough job, filled with tough decisions. Since he is a tough guy with lots of history in the city, and he has a desire to give back to the city and people he loves, he wants a chance to take on the challenge. He feels his time in the city and his job experience give him a knowledge that could be of benefit. A tough guy willing to take on a tough job! Hoowa!

But, you may be asking, what about Bob? Bob Christensen is our current mayor and I wrote about him when he was sworn in. He was born in Brigham City but was whisked off to California shortly thereafter, where his family lived for 6 years. Fortunately he has no memories of that experience. Realizing the error of their ways, they moved back to Bear River City. He attended USU and the Chicago Institute of Technology, receiving a degree in electrical engineering. While working at Thiokol he met his sweetheart, the beautiful Linda Balls. They married, and in 1963 moved from Tremonton back to Hyde Park, where they have lived ever since. They are the parents of 4 children and grandparents to 14. Mayor Christensen has worked in the public works department in the summer, served on Planning and Zoning, and been a city council member for the last 9 years, so there is probably very little he doesn’t know about Hyde Park. He is practically part of the infrastructure himself. Bob wants to continue his service to the community on the council and would like to see some projects to the finish. Serve on Bob!

Continued from page 3
Sharidean Flint (that’s me) moved to Hyde Park 14 years ago and I immediately told all my friends that I had already gone to heaven. I am from a small town and I felt immediately home here, so when the opportunity to be on Planning and Zoning came I jumped on it as a way to give back to this little jewel of a city. Not having learned my lesson I ran for city council and, much to my surprise, was elected. Now it looks like I will be your mayor and I am grateful (and terrified) for the chance to serve the people of Hyde Park. I am married to the fabulous Kevin Flint and we are the parents of 5, 2 boys and 3 girls, and grandparents to 5. I am excited about all the good things that are going on in the city and I look forward to seeing good things come about in the future. We have the some of the best people in the world right here. I have talked to a fair number of you and found you to be kind and reasonable and good. You are what makes our city great! Good on ya!

There you have it! I hope I have piqued your interest and you will come to our nominating convention and dig deeper into all the candidates and make a truly informed decision. This is where the rubber meets the road! If you don’t vote you can’t complain. But if you do vote you can complain all you want! Yay!

YOUTH FALL PROGRAMS
Call or visit the Smithfield Rec Center for registration and program details.

Serendipity Dance
Ages: 2+
Top Flight Tumbling
Ages: 3+
Play With Me Music Program
All ages
AKF Martial Arts
Ages: 6+
