**Hyde Park City Celebration Grand Marshals**

*Lee & Nadine Osborne*

Lee & Nadine Osborne were married on June 1, 1961. They just celebrated 56 years together. They have 5 children, 1 Foster Daughter, 22 Grandchildren, 12 Great Grandchildren and 2 more on the way.

Lee served on the City Council for 2 years, served as Mayor for 4 years, as a judge for 9 years and was appointed as Sr. Justice Court Judge. Lee worked at USU as the Director of Housing and was the creator of the Aggie Shuttle System. Lee loves to spend his spare time doing woodworking in his workshop.

Nadine worked as a homemaker and mother to their 5 Children and as a 4th grade teacher for 15 years. She is a wonderful cook and loves to quilt and has spent years making beautiful quilts for all of her children and grandchildren as well as donating many quilts to humanitarian projects.

Together they have served two LDS missions; one in the Family History Center in Salt Lake and one in Tampa Florida. They have been serving in the LDS Temple for 9 years.

The Osbornes are very service-oriented and many of their neighbors and community members have benefited from their generosity. We are honored to have Lee & Nadine Osborne be this year’s Hyde Park City Grand Marshals.

The Sports Courts are Complete

Thanks to Council member Wheeler, a RAPZ Tax Grant and some sunshine we now have a new tennis court, two pickleball courts and a basketball court.

We ask that you please take care of them. Please do not ride bikes, skateboards, roller blades or scooters on the courts. We hope these will serve our community for many years to come.

Jr Council

We have a June Good Neighbor Award winner! It is Ken Lemon!

Ken is constantly and consistently serving his neighbors in many ways. He has taken on projects that have required daily service for months, projects that take a few days or an afternoon and many quick projects to serve those around him. Ken seems to keep watch over his neighbors and is always among the first to show up and help.

Congratulations to Ken for being nominated and selected as our outstanding neighbor this month! And thanks for helping make Hyde Park the best place to live!

Have you taken a moment to nominate your amazing neighbor? We will be presenting July’s Good Neighbor at our city celebration before the fireworks, so get your nomination in quickly! Send it to GoodNeighborAward@gmail.com

The Jr Council of 2016 - 2017 has wrapped up the year with many different service projects accomplished. As the inaugural Jr Council, it has paved the way for excellent service in the community and has set a high standard for the next Jr Council to follow. Brayden Hirst (youth advisor), Julie Osborne, Klarissa Taylor, Marci Case, & Roxanne Jackman. Thanks to all of you and thanks for all the fun we had along the way!! Steph Allred.

Message From Council Member Flint

Welcome to “Birth of America” month! What a great country we live in and how blessed we are to have the opportunity to take part in a celebration of all the great American ideals! Combine it with Pioneer Days celebrating our great state and we will just be partying our brains out! But with gratitude.

This month we will be celebrating heroes. Our founding father heroes, our pioneer heroes and just everyday heroes that live among us. Yes, there are heroes in our little town of Hyde Park and I want to lift your faith in humanity by telling you about them.

First off is a woman named Kristen Wilkerson, who is a hero everyday by being the mom of 4 children, but in addition to her daily heroics, she actually saved someone’s life! She received the ‘Citizen Of Merit’ award from the North Park Police Department last month and we heard her story there. She was out driving one day on the streets of Hyde Park when she saw a vehicle pulled over to the side of the road. As she looked, she saw feet poking out from under the vehicle. Something struck her as odd about that and she had a feeling she should check into it. She pulled over but didn’t feel good about getting out of her car so she rolled down the window and called out, asking if everything was ok. She got no reply so she decided she needed to call the police. The police arrived and assessed the situation and determined that it was a young man contemplating suicide. They were able to work with him and get him to change his mind and thereby saved his life! Isn’t this a great story! This just goes to show that we are each of us able to be a hero if we are aware and active as we look out for the needs of each other. And a big shout out to the always heroes of our police department!

Now on to other heroes. Maybe on the surface these don’t seem so heroic, but heroics require courage, sacrifice, selflessness, and action and all of these people demonstrate these qualities I think. At least that’s my story and I am sticking to it. These heroes are all those that decided to run for office. Think about it. If we didn’t have people willing to overcome some fear and trepidation and decide to participate in our republic, where would we be? Kudos to all those who threw their hat into the ring (and we have a bunch) and we will be learning more about them in the months to come. I am sure you all heard the phone message about the time to file under the new law and here are the names of the ones who want to serve:

Robert Christensen, City Council, christcr@comcast.net
Phil Collins, City Council, collins.phil.a@gmail.com
Gerald Osborne, City Council, geraldosborne@comcast.net
Stephanie Allred, City Council, steph45a@yahoo.com
Eric Hansen, City Council, elkhunter1834@gmail.com
Randy Grover, City Council, randygrover@gmail.com
Charles Wheeler, City Council, chasb54@gmail.com

Some of these names will be familiar to you from the current council, but there are some brave souls that are venturing into uncharted waters and we welcome them to the fray. Since this new law has gone into effect we are trying to figure out how to run a nominating committee and narrow it down to 4 names for the ballot. More information will be forthcoming.

Maybe you are wondering about the mayor position. I hate to break it to you but I am the only one who filed for mayor. Even so I am really excited about this opportunity and I look forward to all the good things happening in our city! I hope you will feel free to give me your feedback. Even if we might not agree on every single thing, we can learn something new from each other during the course of our discussions.

Happy Freedom to you! Have fun exploding things and go light up the world! Be a hero to those who know you!
