Christmas Boutique

The Jr. Council will be having a Christmas Boutique during the City Christmas Tree Lighting on December 3rd. Proceeds will go to help a family for Christmas. Come and see what we have and pick up some great Christmas decor for the holidays. It will be located upstairs. Thanks for your support!
What is Happening in the City?

Message from Mayor Flint

Thank goodness for November! The beginning of the holiday season, winter, and that extra 20 pounds that we will have to get rid of in March. Thanksgiving has to be the best holiday ever! We eat, drink, and feel merry and grateful. What can be better than that?

Lately I have had the chance to talk to a few people who have recently moved to Hyde Park. As I listen to them it’s kind of like going to an old time revival meeting. One person said it was like feeling the force (You know, Star Wars), almost like falling in love at first sight. They have felt delighted and thrilled with the city and their experiences here. I remember when we looked at our house before moving here. We walked in the door and our children scattered and had their rooms picked out in 5 minutes flat. This was the last house on our list so they had been through many but we all knew this was where we were supposed to live.

I often ponder on what makes a “city”. We talk about cities as if they were humans. We love some and hate others. We long to visit some and never want to step one foot in others. I have decided that part of it is planning and layout and design but I don’t think that’s all, or even most, of it. Cities are people, and the combined “vibe” of those people creates an atmosphere of a city. We have great people in our city and that is what makes our city great. Individual people acting in goodness creates goodness in a city. I truly believe that each individual act of kindness, love, forgiveness, charity, and friendship blesses our city and contributes to the atmosphere here. And to the contrary, each individual act of spite, judging, and anger damages our city as a whole. Hyde Park is a great city because individuals here try to be great.

In the spirit of the holidays, Thanksgiving and Christmas, reach out to your neighbors and be kind and loving. Don’t wait until Christmas. Get an early start on the season. Forgive and forget and love and serve. “Love your neighbor” is still a good adage to live by and it will bless you and your neighbor and the city. What better reason to be thankful than the opportunity to reach out to others?

I am thankful for all of you and your feedback to me as I do my imperfect best to be your mayor! Let us wend our imperfect way together through the holidays with gratitude and love in our hearts, and a large measure of tolerance for each other! It’s what we hope to receive, so let’s give that to each other as a gift for the holidays!

Happy gift giving!

Good Neighbor Award

Ready to find out whom our October Good Neighbor is? …… Paul Lamont! If you know him then you know another name for Paul is service. Did you know that he helped raise the money for lights on the football field at Sky View and raised the money to create the fire department for Hyde Park & North Logan?! And it just starts there! Paul has served Hyde Park in so many ways over the years with his resources and time. And he has helped many groups and neighbors. We love that Paul has a legacy of service that we can emulate. We had fun surprising Paul along with neighbors and family with the Good Neighbor Award. We especially enjoyed our visit. Thank you Paul for all you have done and do to make Hyde Park a great place to live!

We would love to hear about your good neighbor. Send your nomination to HPGoodNeighbor@gmail.com Do it today!

We want to thank everyone that came and supported our Spook Alleys. We hope the little kids had fun at our Little Boo Alley. Our Spook Alleys are fund raisers to support both councils in all our service projects. The funds raised will help us serve Hyde Park in the coming year – thank you!
