Happy Holidays from the Mayor

Merry Christmas! I write in great haste. Donja, the publisher of all things newsletter, is breathing down my neck to send my article to her because I have procrastinated the day of writing to the last minute! I will therefore be brief and, hopefully, enlightening.

We are making great strides in our search for a police chief. There will soon be a new sheriff in town. We received 14 very qualified and experienced applications. A selection committee was selected from the commission as a whole, including the 2 mayors. The most difficult part was to narrow the choice down from all those excellent candidates. We eventually, after many hours of sweat and tears, chose 3 preliminary candidates. We will then embark on a round of interviewing, breakfasting, and touring to dig deep into the psyches of our possible chiefs. There may even be torture but we won’t let them know in advance. But perhaps the interviewing, breakfasting, and touring will be torture enough. If all goes well we will have a new chief to start the new year. Our interim chief, Steve Milne, has been absolutely fantastic and we can’t thank him enough. We even tried our best to entice him out of retirement but he wants to continue riding his motorcycle and enjoying time with his wife. Imagine that!

The other big issue I wanted to talk to you all about is one you may have heard of from newspaper articles. We have been considering allowing higher density housing. As you may know there is a severe shortage of affordable housing in Utah right now, so the pressure is on to do something about it. We aren’t considering apartments but perhaps townhomes, condos, or smaller lots with smaller homes. I would love to hear your thoughts on the matter. I don’t believe that the answer to every problem is government, in fact I think government is more often a part of the problem, but this is something that keeps coming up and knocking on our city door. If you would like to make your thoughts known, please call me or one of the city council members, or call and leave a message with the gals at the city office. I believe there is room enough for all kinds of different cities, and we can do what we want with our city, but we sure would like to hear from you so we can fairly represent your views. This would be a big step for our city and so we are going slowly. Creeping, if you ask some but we want to get it right.

I hope your holiday season is filled with light and love and generosity!

## What is Happening in the City?

### Jr Council

We have a wonderful Good Neighbor winner for November. It is Bill and Cathy Mace! Someone noticed the quiet yet consistent help that they give throughout their neighborhood; fixing cars, spraying weeds, fixing fencing and lawn mowers, etc. The letter stated "They are both genuinely interested in helping others throughout the community, often times without being asked." Bill and Cathy are generous in their service and an excellent example for all. Thank you Bill and Cathy for letting us come and surprise you and thank you. Hyde Park is the best place!

If you have a neighbor in your area that helps make Hyde Park the best place, let us know at HPGoodNeighbor@gmail.com
