

**HYDE PARK CITY
AGREEMENT AND REQUIREMENTS FOR
PERMANENT POWER TO PANEL**

It is understood that permanent power will be installed at the panel box located at:

PROPERTY ADDRESS: _____

The following conditions must be met prior to obtaining permanent power:

1. A security deposit in the amount of \$500.00 per structure will accompany all applications. This security deposit will be held pending completion and finalization of the project.
2. The building must be marked with the permanent address. Contractors or owners requesting power to panel must restrict entrance.
3. All energized outlets shall be GFCI protected. The main panel must be covered to avoid physical injury. The electrical system shall be grounded.
4. The contractor/owner must request a power-to-panel inspection to insure compliance.
5. The building located upon the premises **shall not be occupied** until Final Inspection has been made and the Building Inspector grants approval. Violators will be subject to a fine under current City ordinance. **(Forfeit of \$500 Bond)**
6. The contractor accepts all responsibility for personal injury or property damage resulting from the granting of this request and agrees to hold the City harmless from any liability resulting there from.

Any deviation from the above guidelines will result in the forfeiture of the security deposit and denial of future requests for permanent power. All installations deemed unsafe by a City Building Inspector may result in a Stop Work Notice and/or the disconnection of power.
