Message From Mayor Flint

Happy February fellow Hyde Parkers! Life in the city has cycled around with newly elected or reelected civil servants, which happens regularly every two years, and has been happening for over 100 years. Mind boggling isn’t it? We will spend our brief span here in service to the city and then step down and the city will go on, growing and changing and, hopefully, getting better and better. If that’s not a reason for humility then I don’t know one!

Speaking of newly elected and reelected, you may be wondering what jobs everyone is doing on the council now. As I have explained in the past, council members are delegated responsibilities, by the mayor, to oversee during their tenure. Now that Charles Wheeler and Gerald Osborne have been elected and I have become the mayor, things are moving and shaking and new assignments have been made. Here is what everyone is doing now. Charles Wheeler has been reelected to parks. This will be his 4th term (we like to call him Methuselah) and he has been doing this every time he has served. There are always fun things going on in parks and Charles is busy overseeing the design of our new park on 250 E and 600 S. Gerald will oversee the roads and sidewalks, and is always happy to hear your complaints about potholes, snow plowing, etc. He also sits on the NPPD police commission, along with Mark Hurd. Bret Randall is still overseeing all things water, including sewer, and he sits on the sewer rate commission. You can fill in your own jokes here. Mark Hurd is the man for all seasons. He is in charge of the City Celebration, the Citizens Core Committee, and is on the police commission. Brad Robinson has been delegated the glamorous job of stormwater. If you see any stormwater running about uncontrolled, he is your man to call. And I am the mayor and I am happy to hear any complaints you may have. Or compliments! Don’t forget we meet on the 2nd and 4th Wednesdays and our meetings are very lonely because no one usually comes. We love to have citizens show up and if you have anything to say there is time right at the beginning of the meeting for anyone to speak about anything. Open mike!

For those of you involved in city recreation programs we have news directly impacting you. We will now be participating with the North Logan recreation program. The new high school has excellent facilities which we can use and, since our kids will be attending high school there, it is a chance for them to get comfortable and familiar with it. The recreation director is Jesse Howe and he has lots of great ideas and plans for our benefit!

Don’t forget about the humanitarian projects happening on the 24th at the church on 200 south! If you want to just show up and help you can. What better way to show love during the month of love than by serving those less fortunate than us?

Jr Council

Happy Valentine’s Day everyone!

February is the month of love and we love to announce our Good Neighbor for January. Introducing Gail Bingham! Gail has served as a soccer coach for over a decade and also as a scout master for 20 years or more but that is not why he was nominated for the Good Neighbor Award. Lately Gail has been involved in helping a family and has served above and beyond in many different ways including coordinating volunteers and professionals to help with the project. In the letter we received it stated: His personal integrity, character and dedication in doing what is right in all situations has made him an exceptional neighbor as well as a leader of youth over the years. This latest effort in doing something that he saw needed doing is only one example of that.

Congratulations Gail and thank you for helping to make Hyde Park a wonderful place to live! We love all of our good neighbors!

We would ❤️ to hear from you on your nomination for the Good Neighbor Award. Please email GoodNeighborAward@gmail.com or call Stephanie at 435-563-4148.
What is Happening in the City?

Youth Council Corner

The HPYCC recently ran a winter gear drive at some of the schools throughout the valley. We were able to collect quite a few things. The items we collected were taken to some of the elementary schools in the Logan City School District, where many of the students don’t have adequate winter clothing. Thanks for your participation.
