City Happenings

Message From Mayor Flint

Welcome to March! I hope your world is green and springy! There is not a lot going on in the city to report so this is going to be short and sweet. (I can hear you saying “Thank goodness!”)

Speaking of reaching out and serving others, (yes we were speaking of that) I would invite you to go to the website justserve.org. It is chock full of places that need volunteers to help, some for a few hours and some for longer. You can also follow them on different social media site and get updates. It is specifically for our area and has a grundle of great options!

We will be beginning work, when the weather improves, on our new park on 250 E (also known as 800 E in North Logan) just across and slightly north of the Catholic Church, which as you know was part of a recreation land swap from Green Canyon High. It will have a couple of soccer fields and playground equipment, a walking trail and lots of fun stuff! It will be a great addition to our park system!

Well that’s all for this month! Slán go fóill!

Hyde Park City Communication Exercise

On March 17th, the community of Hyde Park will be testing our Emergency Response readiness. We ask all to participate in the following:

9:00 AM March 17th, please simulate a Self Assessment of your family and household as if a disaster or an emergency event had just happened. Hang a Red or Green Flag (your choice) on the outside of your front door. Please leave the flag out until 10:00 AM. Your Block Captains will be surveying the area to gather a report on the flag totals.

In an actual disaster, hanging the Red Flag on your door indicates that your household needs help.

Also, we invite you all to use this time as an opportunity to consider how you and your family will respond in an emergency and how you can help with the response effort.

Hyde Park City - Citizens Corp Council
Youth Council Corner

This past month the Youth Council had an amazing time at Autumn Care putting up Valentines. We decorated the residents doors with lots of love and hearts. We also spent time singing and visiting with those living at Autumn care. It was a great experience for all.

We are looking forward to some fun events coming up such as the 3rd annual Princess and Super Hero Training and Hyde Park’s Got talent. Please sign up quick. You won’t want to miss out.

Jr. Council

Drum roll please ....... our February Good Neighbor is.... Dana Swensen! Dana is described as the queen of service. She has been serving faithfully week after week and year after year, for a very long time. "She truly exemplifies compassionate service at its’ best and is an outstanding example of what makes Hyde Park great!" You can see why Dana was an excellent choice for our February winner. It was fun to surprise her with a gift basket filled with lots of goodies and gifts.

And behind every great woman is a great man and that is Phil. He has served in so many ways in our community and beyond. What a power couple! Congratulations Swensens on being wonderful neighbors and examples!

Do you have an amazing neighbor like the Swensens? Please tell us about it GoodNeighborAward@gmail.com or call Stephanie @ 563-4148.

The Jr Council made-home made Valentine cards and delivered them along with treats on the day before Valentines. We got to meet some 'sweet' people! We hope everyone had a 'love-ly' Valentine's Day.

We finished off the month of February by helping at the Food Pantry. It was amazing to see all the food available to those in need and help stock shelves. We were happy to help in a small way and live our motto ~~ "Serving others, one by one."
USU Ambassador Fundraiser
For the family of Rebecca Dutson
Rebecca Dutson (daughter of Brent & Cheryl Dutson of Hyde Park) passed away on February 14, 2018 after a five-year fight with acute leukemia. To celebrate her life and legacy, the USU Ambassadors have chosen to recognize Rebecca by selecting her and her family as recipients of their annual fundraising auction. Please join campus and community members on April 19th from 4:30-6:30p in the TSC Auditorium of Utah State University. To support the auction with monetary and in-kind donations, contact Erin Cowles at erin.cowles@usu.edu or donate directly at the USU Credit Union. For more information visit www.usu.edu/admissions/ambassadors/auction. #RallyForRebecca

Hyde Park Ladybugs
Attention parents of current 4th grade girls!
We want to find out the interest of having Hyde Park Ladybugs for 5th grade girls in Hyde Park for next year. This would be similar to North Logan’s Honeybee’s and Nibley’s Little Miss. The girls would participate in the city parade, city celebration, Little Boo Spook Alley, Daddy/daughter dance for Valentine’s and a service activity of the group’s choice. The group would be run by the parents of the girls (similar to how the Hyde Park Royalty is run.) There would be a pageant where the girls would be selected on an interview, a self presentation, talent (which can be anything!) and a desire to serve and have fun. Please let me know if this is something you are interested in by calling Stephanie @ 435-563-4148

This is why I chose to go into the recreation field. I love to see families recreating especially when they recreate together. This is one of my main goals is to give families the opportunity to go out and have fun. For example with our sports soccer program each child is going to receive a ball so they can play at home. You have so many great amenities in Hyde Park, its time to get out and start making memories.
