Happy New Year

Jr Council

Good Neighbor

Our Good Neighbor for last month is someone who has a big heart and spends hours doing service for others. She is fun to be around, easy to talk to and looks for ways to serve. She is described as being very kind and has a way of making people feel special. Any guesses yet? Megan Kenney is our December winner! We had 8 different nominations for Megan with each one telling similar things about how much Megan makes a difference in her neighborhood. We loved meeting and surprising Megan with a gift basket. We are so thankful for great people in Hyde Park that serve and love and make it the best place to live! Please nominate a deserving person/family in your neighborhood. HPGoodNeighbor@gmail.com

Youth Council

Thank you to everyone who wore ugly sweaters to the tree lighting. It was lots of fun! Congratulations to the winners. Anyone interested in participating in Hyde Park’s Got Talent please email your name and talent/act to hydeparksgottalent@gmail.com

Happy New Year beloved Hyde Park residents! I quit making New Year resolutions because I got tired of feeling like a failure in February year after year, but I hope you are able to stick to your resolutions better than I, and that 2019 is a great year for us all!

Thank you to all of you who responded to my request for feedback on increased density. You may be wondering what the response has been. (One of my mayoral super powers is divining what my people are wondering.) I haven’t heard from very many of you, about 15-20, either by email or phone call or in person. From a couple there is great enthusiasm for townhomes or condos, in order to offer a lower cost home option. However for the great majority that is not something they want to see in Hyde Park. Now you may be wondering what the council is thinking. (Of course you are.) Here I have to tread carefully because my mayoral super power doesn’t function quite as well with the council. I don’t think there is a lot of support for large developments of townhomes or condos. I think there are several different ideas, perhaps of small lots with small homes, a duplex here or there, maybe a percentage of small homes within a normal development of larger homes and lots, or something like our 55+ developments, but for any age. We are trying to come up with a way to prevent a grouping of any of those all together to not adversely affect any one area of the city. It involves math and planning and lots and lots of talking. Those are the thoughts that I have heard expressed and I am sure there are others I have not heard….or divined with my super power. We will be discussing it at our council meetings and if you feel like coming and expressing your thoughts to the council, feel free to show up any time.

Well, January is pretty much a let down after the glories of Christmas but I have discovered one way to beat that is to continue helping others in the spirit of Christmas. Look out for each other because that’s one of the things we do best here!

No Parking

Remember there is no parking on the roadway between 1:00 AM and 5:00 AM of any day, beginning November 1st and ending March 31st. Where no curb and gutter exists, a vehicle must be parked 6 feet off of the asphalt. Any equipment or trailers must also be removed. If you have an area where the asphalt meets the lawn, put a reflector on the edge of your lawn so the snowplow drivers can see where your lawn begins.

## Message From the North Park Police

### Snow Removal

As we find ourselves in the winter season I wanted to remind home owners of the responsibility they have of removing snow from sidewalks. This helps with pedestrian travel, especially children walking to and from school. With a new elementary school in the city we need to be extra vigilant so the children do not need to walk in the streets. The Hyde Park City ordinance reads:

**11.30.280 Removal Of Snow**

A. It shall be unlawful for the owner, occupant, lessor, or agent of any property, abutting on a paved sidewalk to fail to remove, or have removed from such paved sidewalk, all hail, snow, or sleet thereon within a reasonable time after such snow, hail, or sleet has fallen. In the case of a storm between the hours of 5 p.m. and 6 a.m. such sidewalks shall be cleaned before 9 a.m. of the same day.

It shall be unlawful for any person removing snow from the sidewalk, to deposit snow, dirt, leaves, or any other material in the gutter so as to clog or prevent the free flow of water therein.

Please help keep your neighbors and school children safe by keeping your sidewalks clear from snow. Have a Safe and Happy New Year.

## Tree Cycling

Available for this holiday season through January 14, 2019. Please no lights, tinsel, ornaments, or metal stands.

Drop off is located in the parking lot West of Cedar Ridge School.

After that date, Christmas trees need to be taken to the green waste facility at the Logan Landfill, 1400 W. 200 North. This service is also free of charge.

## Business Licenses

Business licenses expired on December 31st. If you are running a business in Hyde Park City, you need to obtain a business license at the City office building.

If you have any questions, call Donja at (435) 563-6507 Ext 11

## Christmas Yard Sale

Thanks to all who donated items, provided the city center building, contributed time, and attended the free Christmas yard sale. Christmas cheer was present in our community.

Merry Christmas!
